

# FREE Model Railroaders Swap Meet!

Saturday, May 1, 2010. 10am to 2pm.

---

Located at the Northeast Cabarrus V.F.D

GPS 35.43927'N 80.36880'W

1500 Lentz Harness Shop Road North at Highway 49

Mt. Pleasant, NC 28124

**This is a free Model Railroaders event for all modelers and scales. Tables will be available for modelers to use to sell or trade all things model railroading. Contact David Ward to reserve your free table (see below).**

**Free Parking, free admission, free set up.**

There will be day- long demonstrations and classes on “weathering with oils” with Tony Sissons. Steve Johnson will be demonstrating turnout building with” Fast Tracks” equipment. Dick and Karen Bronson of RR Cir-Kits will be here to answer questions on model railroad signaling and track detection. The Central Carolina N Scalers will be running an operating NTRAK layout.

**There will be HOT DOGS on the grill and drinks in the cooler for lunch!**

Watch for updates at [www.southernexchange.net/swapmeet.htm](http://www.southernexchange.net/swapmeet.htm)
